

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Welded structural steel components

Execution classes EXC1 and EXC2
Declaration of essential characteristics: ZA.3.3 (Method 2)

Responsible welding coordinator: Mr Andreas Karlsson IWS SE 00333
Welding processes: 135 and 136
Steel groups of parent materials: 1.1, 1.2 and 1.4

produced by or for

Moramast AB

Box 175, 792 23 MORA, Sweden

and produced in the manufacturing plant(s) Mora, Sweden

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 1090-1:2009+A1:2011

under system 2+ are applied and that
the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on **2013-08-09** and will remain valid as long the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.fi.

Inspecta Sertifiointi Oy, notified body No 0416, has issued the certificate on 2013-08-09

Anne Qvintus, Managing Director
